Steve Moen | smoen.lhm@gmail.com | 612.501.8982
This is a BIG day men! We need some POWER to help create some Power. Once again, we'll be helping Living Hope Ministries (NE Mpls). This time we'll do rough electrical work (drilling holes, pulling wire, marking for outlets, etc.) to get power to many rooms in their ministry facility. No experience necessary! Rather than our usual 3-hour work day, we're doing a 12-hour day. But, we only need you for a 3-hour shift unless you'd like to do more. Our shifts are 7-10am, 10am-1pm, 1-4pm & 4-7pm. Sign up at the Welcome Center or with the registration link in the PointMen email you received. You can also contact Steve Moen (see above) to register or to ask questions. This will be fun!

We always welcome new crafters, so bring your own machine and whatever supplies you need for your projects. We have many skill levels, so if you're "stuck" on your project, there is probably someone who could help you or give advice!

GLOBAL PARTNER OF THE WEEK
Larry and Mary Caldwell

The Caldwells are based in Sioux Falls, South Dakota. Mary teaches ESL to refugees and immigrants in Sioux Falls, as well as assisting them finding jobs. Larry is Director of Missionary Training and Strategy Development for Converge Worldwide, where he is helping train a new generation of non-western missionaries for unreached people groups worldwide. He is developing a new MA program in connection with Sioux Falls Seminary, where he also serves as Academic Dean. This is an innovative on-site program that allows missionaries to stay in their local contexts, and focus their studies on that context. This fills a huge need in the missions movement today, providing relevant, accessible and affordable training to thousands of non-western missionaries. Larry travels extensively (racking up over 100,000 frequent flyer miles last year), working with cohort groups in diverse locations, including the Middle East, Eastern Europe, Northeast India, and the Philippines. One of Larry's prayer requests illustrates the kind of leadership training he is conducting: "I leave later this evening for another quick one-week trip to Dubai. In Dubai I'll be helping to train 24 bi-vocational Filipino workers who are planting underground churches throughout the Gulf Region of the Middle East (Saudi Arabia, Qatar, Bahrain, and the United Arab Emirates)." Pray especially for safety in his ongoing travels, for meeting a support gap, and for the Lord's blessing on this work that can have such a huge impact through those he trains.

Please check the binder in the church office for more detailed information about all the global partners GracePoint supports prayerfully and financially.

THE IMPACT OF VACATION BIBLE SCHOOL

"As a child I was not a regular church attender but one year I REMEMBERED ATTENDING VBS and the experience of awe when I heard many stories about Jesus! As an adult believer, I have helped with VBS for many years because I want children of all ages, who may or may not have heard about Jesus before, to have the opportunity to hear more about Jesus great love for them in a safe and fun environment. Often as a children's leader I think I "get more" out of VBS experience than the children at times, as the VBS curriculum and leaders promote the child like faith God requires and the trust and enthusiasm that God loves and desires from us!"

From a parent ... "I wanted to let you know that VBS made such an impact on our son. He keeps reminding us that "GOD IS GOOD!" and even taught his younger brother (1.5 years old) to say it. I overheard him singing a VBS song last night too."

"Last year I had the privilege of having our 4 year-old granddaughter attend GracePoint's VBS and it was an awesome experience knowing she was BEING EXPOSED TO GOD'S WORD EACH DAY and the Word from each night opened up opportunities for more conversations about Jesus with her. I praise God that at GracePoint we offer VBS for a time of experiential leaning for children of all ages to come and know God more deeply!"

"I love the MUSIC AT VBS. Worshipping with a room full of kids is fun and exciting!"
